Good for a giggle

In a dark and gloomy room, the fortune teller was startled by what she saw in her crystal ball.

She looked up at her customer, sitting across the table.

"There's no easy way to say this, so I'll just be blunt. Prepare yourself to be a widow. Your husband will die a violent and horrible death this year."

Visibly shaken, the woman stared at the psychic's lined face, then at the single flickering candle, then down at her hands....

She took a few deep breaths to compose herself.

She simply had to know.

She met the fortune teller's gaze, steadied her voice, and asked:

"Will I get away with it?"

Airplane Cleaner:

5 cups water
1/2 cup of ammonia
1 cup rubbing alcohol
1 oz. of **DAWN** dish
detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

Caution: Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the plane.
