### President's Plug

By  
Doug Bruening

The weather is getting warm, the field is well on it's way to being ready and this years flying season is well upon us. A big thank you to Jim Bauer for spearheading the pavilion project and a big thanks to those who contributed toward the purchase of the structure. It is my understanding that the pavilion will be ready to set up in about 4 weeks. Get ready because we'll need all the help we can get putting it up. There will be some discussion at the next meeting regarding the parking lot

situation so please plan on attending to keep informed on the situation. The new web site is up and in full swing, a big thanks to Bob for getting that together. Once our field is up and running, we will no longer be flying at the Saints, if you happen to be out there, please thank their members for their hospitality toward us. Also don't forget the River City Flyer's EAC event at the end of this month, some BIG names will be there.

### Secretary's Minutes

By  
Jim Bauer

### Minutes from the May 18, 2006 Meeting.

The meeting was called to order at 7:00 PM by the Club President Doug Bruening with 4 Officers, 31 Members present.

The minutes of the April meeting were accepted as published in the May newsletter.

The Treasurers Report: was accepted as read.

The Membership Stands at 54

There was no old business

### New Business

Starting Stands for the new field are going to be built by a future Eagle Scout as part of his projects to become an Eagle Scout.

Cost of the project for 4 stands is estimated at \$225.00.

Kevin Saddler from troop 768 is the Scout that will be building the starting stands for the Club. He attended the meeting and gave a presentation on the stands.

Guests and purposed members are as follows:

Warren May  
Pierre Fath  
Dan Ybarra  
Jim Douglas  
Kurt Milster

They are included in the membership count above.

### Field Development

A 30 X 100 ft gravel parking lot will be put down by the storage lot at the field. Mike Ross has offered to haul and spread the gravel. Voted in unanimously.

### Airplane Cleaner:

5 cups water  
1/2 cup of ammonia  
1 cup rubbing alcohol  
1 oz. of **DAWN** dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

**Caution:** Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the plane.

After a discussion on purchasing of a 20 X 40 Pavilion Chuck Shull made a motion and Mike Ford seconded to purchase the Pavilion and illini with a concrete pad.

A vote was taken 30 in favor, 1against, and 3 abstained. Motion carried.

50/50 Drawing won by Mike Ross Donated his half to the Club. Club \$34.00.

Attendance Prizes won By: Christy Bauer Gift Cards \$10.00 EA.
