let's use that date to make final plans for the Huckfest .

Thanks,
Jim B

We have been informed by the City of St Peters that our regular meeting place is unavailable during June, July and August, therefore we will just meet at the field instead. The Huckfest is only a couple of weeks away, if you can volunteer any of the 3 days email or call myself or Jim West. Don't forget to pass out flyers, we need lot's of spectators this year, concessions are a huge part of the success of this event. June 18th was scheduled to be a social meeting but

Secretary's Minutes

As recorded by
John Bolesta

The May meeting was called to order at 7:04 PM with 15 members present.

The treasurer reported \$2728.10 in savings after an \$84.00 payment for the portable toilet.

The safety chairman reported trouble with bugs being a distraction to flying and members suggested netting on a hat or bat houses as a possible solution.

The club now has 56 members with the newest being Chad Morino.

The field is in good condition after spraying, seeding and watering. Longer grass will be kept on the perimeter of the field.

In Old Business, a Huckfest volunteer list was passed around. Vince Russo and Jim West will administer food service with Jim and Christy

Bauer doing food and drink purchases. Christy will register pilots and be the banker. Food choices will be made at a later date. Also, the September open house is being advertised. A possible interview and demo for Channel 2 was discussed.

There was no New Business to discuss.

Attendance prizes of \$10 gift cards provided by Mark Twain Hobby were won by Vince Russo and Ron Schippers.

Meeting was adjourned at 7:27, a new speed record for this century.

From The Editor:

I would like to apologize for the news letter being late this month. I have had a lot of family health issues to deal with. I hope next month will be on time. I will need any articles pertaining to the Huckfest buy July 7 to make the newsletter deadline. Thank you all for your understanding.

Airplane Cleaner:

5 cups water
1/2 cup of ammonia
1 cup rubbing alcohol
1 oz. of **DAWN** dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

Caution: Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the

Wanted 100cc Airframe

I lost my 35% SD-models Yak yesterday (engine quit in inverted harrier). So I'm looking for a 100 cc airplane. I like Yaks, Caps, Extras, you-name-it. So if you know anyone that has a 100 cc airframe for sale, please contact me. I have engine, servos, radio, etc. so all I am looking to buy is the airframe itself.

I like to build, so with the bad weather upon us, I may just build a Dalton Aviation 35% Extra 260. Any opinions appreciated.

Editors Note:

As many of you already know it was decided at the January meeting that we would have meetings every month in 2009. However all meetings will not be business meetings. Some meetings will be more social type meetings were members and guests will get together and share ideas and visit with one another. So bring in your projects and share them with the rest of the Club.

Below is a schedule of meetings for 2009.

February 11*	Social Meeting
March 19	Business Meeting
April 16	Social Meeting
May 21	Business Meeting
June 18	Social Meeting
July 15*	Business Meeting
August 20	Social Meeting
September 17	Business Meeting
October 15	Social Meeting
November 19	Business Meeting
December 17	Social Meeting

* Meetings that are not on a Thursday

Meeting dates are also on the Web Site events calendar.
Looking forward to seeing you all soon.
