President's Plug

I hope everyone has had an opportunity to use the new field! Please be mindful of trash, cigarette butts and lets make sure we get in the habit of using the frequency board. Also lets make sure we are double checking the locks on the gate, container and port-a-potty before we leave for the evening. For those of you who missed the River City EAC Fly-In, you missed a heck of a show. Mark Trent and his crew put on a fantastic event. I had the opportunity to visit with Jerry Smith, 9

time National Competition Fun Fly Association world champion. Mr. Smith put on amazing flying demos all weekend and still took the time to chat with anyone who was interested. A truly impressive gentleman. I'm sure Mark will have photos on his website soon.

I hope to see you all at the meeting, as most of you know, we will be discussing and voting on whether to keep, modify or remove the membership cap. Remember, this is YOUR club, you call the shots and you make the decisions regarding how YOUR club is ran. Please plan on attending and make your voice heard. Take care.

See you at the meeting!

Airplane Cleaner:

5 cups water
1/2 cup of ammonia
1 cup rubbing alcohol
1 oz. of **DAWN** dish
detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

Caution: Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the plane.

Secretary's Minutes

By
Jim Bauer

Minutes from the June 15, 2006 Meeting.

The meeting was called to order at 7:00 PM by the Club President Doug Bruening with 4 Officers, 24 Members present.

The minutes of the May meeting were accepted as published in the June newsletter.

The Treasurers Report: was accepted as read.

The Membership Stands at 56

Old Business

A big thanks to Marty Gallo for his \$100.00 donation to the Club. He also donated a weed eater. Thank you Marty.

The pavilion is ordered and on it's way. The last 5 piers to be poured this week end.

New Business

Jim Douglas has designed a Logo for the club.

Please donate your time to help rake the landing portion of the field.

It was brought up to put down mulch instead of rock for temp parking area.

We can no longer spill gas or glow fuel on the field as it kills the grass. Use a drip pan or overflow recovery bottle.

We will not drive on the grass until at least August and then it will be re-evaluated.

Dan Dierking suggested we do a static display at Mid Rivers Mall. The cost would be \$250.00 for the entire day. It was decided that it would not be cost effective at this time.

At the next meeting we will discuss removing the membership cap of 70.

Guest: Steve Chappel friend of Dan Dierking joined the club.

50/50 Drawing won by Jim Douglas. Club \$11.00. Jim \$11.00

Attendance Prizes won By: Jim Douglas Gift Cards \$10.00 EA.

On The Lighter Side

SKINNY DIPPING

An elderly man in Florida had owned a large farm for years. He had a large pond in the back, fixed up nice; picnic tables, horseshoe courts, and some orange and peach trees. The pond was ideal for swimming, although he rarely did that anymore.

One evening he decided to go down to the pond, as he hadn't been there for a while, and look it over. He grabbed a five gallon bucket with which to bring back some fruit.

As he neared the pond, he heard voices shouting and laughing with glee. As he came closer he saw it was a bunch of young women skinny-dipping in his pond. He made the women aware of his presence and they all went to the deep end.

One of the women shouted to him, "We're not coming out until you leave!"

The old man frowned, "Take you time , I didn't come down here to watch you ladies swim naked or to make you get out of the pond nude." Holding the bucket up he said, "I'm just here to feed the alligator."

Old men can still think fast.
