Treas. Christy Bauer 300-1480
Sec. Christy Bauer 300-1480

Board Members

1Yr. Paul Jurkowski
2Yr. Al Grossman
3Yr. Chuck Shull

Presidents Plug

The next meeting will be the last meeting to be held at the field this year. All those who attended the outdoor meetings enjoyed the activities. Our Training program is continuing to grow and adding to our membership. The training computer is complete with Real Flight Simulator G2 on it. I will bring it out to the field for students to use as well as the trainer plane. I would like to thank Chuck Shull for the computer monitor. I would also like to thank Christy

Bauer for helping with the grass cutting. I believe our club is on the right track and rapidly becoming one of the finest R/C Clubs in the area. Membership is on the increase as new people are entering the hobby. It is nice to see a good turn out at the field in the evenings. We can use help in assisting new members with their planes and the hobby in general. I know we have a wealth of information to share with these folks. Come on out and share it.

Reminder: Next meeting is at the field see you there. August 21.

Secretary's Minutes for July, 2003

Editors Note:

Our WEB address is:

www.propnuts.net

Anyone wishing to make an announcement or publish an article in the newsletter may do so by submitting it to me no later than the second Monday of the month in which you wish to have it published.

Airplane Cleaner:

5 cups water

1/2 cup of ammonia

1 cup rubbing alcohol

1 oz. of DAWN dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

The Swap Shop

Interested in buying used Engine

OS .46 FX that is in reasonably good shape.
