### President's Plug

By  
Jim Bauer

See you all at the meeting  
August 16, 2007

It's HOT and DRY , that pretty much sums up the weather and the field conditions. The July meeting "at the field " was a wash out, literally , it rained until 6:45 pm that evening. The August meeting will be at our regular meeting place , the St Peters Senior Citizens Center, hope to see you there.

Jim

### Secretary's Minutes

As recorded by  
John Bolesta

always forgets the past - but never the present. 📅

### Some people try to turn back their odometers.

Not me, I want people to know "why" I look this way. I've traveled a long way and some of the roads weren't paved.

How old would you be if you didn't know how old you are?

You know you are getting old, when everything either dries up or leaks.

Old age is when former classmates are so gray and wrinkled and bald, they don't recognize you.

Have a GREAT day....and keep Laughing!

It's good for the soul .

And remember my motto;

Life should NOT be a journey to the grave with the intention of arriving

safely in an attractive and well preserved body.

But rather to skid in sideways, chocolate in one hand,

Diet Coke in the other, body thoroughly used up, totally worn out and screaming

### From The Editor

There are no minutes from the meeting that got washed out as there was no meeting to have minutes for.

### From The OWLS

(Older Wiser Laughing Souls)

Wisdom from Grandpa.....

Whether a man winds up with a nest egg, or a goose egg, depends a lot on the kind of chick he marries.

Trouble in marriage often starts when a man gets so busy earnin' his salt that he forgets his sugar.

Too many couples marry for better, or for worse, but not for good.

When a man marries a woman, they become one; but the trouble starts when they try to decide which one.

If a man has enough horse sense to treat his wife like a thoroughbred, she will never turn into an old nag.

On anniversaries, the wise husband

### Airplane Cleaner:

5 cups water  
1/2 cup of ammonia  
1 cup rubbing alcohol  
1 oz. of **DAWN** dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

**Caution:** Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the

**"WOO HOO what a ride!"**

**Have a wonderful day!**
