Dan Dierking Sale FOR SALE: Goldberg Sukhoi - \$600

This plane is absolutely gorgeous and ready to fly after you add your receiver. The engine is a YS 140 Sport, the servos are JR 4721 for rudder and elevators, JR 531's for ailerons and JR 811 digital for throttle. The Sukhoi flies great precision aerobatics, has large control surfaces for 3D and has a super light wing loading so it slows down to a crawl for landing. This plane is available for local sale only and you may contact me to see it before you buy. I can also sell the JR R700 receiver in it for an additional \$50. I also purchased a Mc Daniel onboard glow driver, but never installed it because the engine runs so well. I will sell it for \$40, what I paid for it. Local pickup only. I'm selling to pay for my 30% project.

Call Dan @ 636-236-2693 for more info.
