### President's Plug

By  
Jim Bauer

Also its not too early to send in your dues for next year . Hope to see you at the meeting.

Jim B.

**Don't forget the meeting this Thursday November 19, 2009**

**This will be a business meeting.**

Can you believe , full sun, 82 degrees and light winds in November, those were the conditions a couple of weekends ago. Several of us took full advantage and flew all day. It almost makes up for the horrible weather in October. Our last business meeting of the year is Thursday November 19<sup>th</sup>, we need to discuss the meeting agenda for next year, that is , quarterly , every other month or no meetings at all . Try and attend and give us your thoughts.

### Next Meeting

#### Thursday

November 19, 2009

7:00 PM

Open Topics

**See You There!**

### Secretary's Minutes

As recorded by  
John Bolesta

There are no Minutes as the last meeting was a Social Meeting.

### From The Editor:

**Bob Buss**

I will be vacationing in Florida for the next four months. I plan to return on the first of April.

I will try to continue supporting the club activities as I have in the past via the internet. My cell phone number is listed on the roster.

Email anything you wish to be in the newsletter to me at the following address:  
[newsletter@orchardfarmrc.com](mailto:newsletter@orchardfarmrc.com)

I am looking forward to the sunshine and warm weather. No more shoveling that partly cloudy stuff.

Bob Buss

### Flooding

The month of October set records for the wettest October ever and as a result there was wide spread flooding that lasted for about two weeks. We escaped the flooding at our field and the field dried out quite fast. As I write this column they are forecasting more rain all this week. It could be that November is a repeat of October. If that holds true please use caution as to not cut ruts in the field.

Pictures of the October flooding of St Louis County Park (Buder Park) are on the next page. For those that aren't familiar with Buder Park, it sits along the Merimac River off hwy 141 in Valley Park.

Door Prizes compliments

### Airplane Cleaner:

5 cups water  
1/2 cup of ammonia  
1 cup rubbing alcohol  
1 oz. of **DAWN** dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

**Caution:** Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the plane.

# Pictures of Buder Park Flying Field October Flooding

Top of Pavilion in the center of picture.

Pavilion roof. Must be 8 or 9 ft of water.

## **Wanted 100cc Airframe**

I lost my 35% SD-models Yak yesterday (engine quit in inverted harrier). So I'm looking for a 100 cc airplane. I like Yaks, Caps, Extras, you-name-it. So if you know anyone that has a 100 cc airframe for sale, please contact me. I have engine, servos, radio, etc. so all I am looking to buy is the airframe itself.

I like to build, so with the bad weather upon us, I may just build a Dalton Aviation 35% Extra 260. Any opinions appreciated.

## **Editors Note:**

As many of you already know it was decided at the January meeting that we would have meetings every month in 2009. However all meetings will not be business meetings. Some meetings will be more social type meetings were members and guests will get together and share ideas and visit with one another. So bring in your projects and share them with the rest of the Club.

Below is a schedule of meetings for 2009.

February 11*	Social Meeting
March 19	Business Meeting
April 16	Social Meeting
May 21	Business Meeting
June 18	Social Meeting
July 15*	Business Meeting
August 20	Social Meeting
September 17	Business Meeting
October 15	Social Meeting
November 19	Business Meeting
December 17	Social Meeting

\* Meetings that are not on a Thursday

Meeting dates are also on the Web Site events calendar.  
Looking forward to seeing you all soon.
