### President's Plug

By  
Jim Bauer

It's been a great year for the club, here are some of the highlights, we received an AMA grant, had a successful first fly-in, a well was dug for water, top soil, seed and water immensely improved the runway and south pit area and the annual club picnic was a huge success. Once again I would like to thank everyone who invested time, labor and monetarily to the club. Please don't

forget to send in your 2008 dues along with a signed application, what a bargain for so little of an investment. There will be no business conducted at the Dec meeting, just a get together and relaxed atmosphere. We will order pizza, bring your own drinks and as always family members are welcome.

Merry Christmas and hope to see you on the 20<sup>th</sup>.

Jim

See you all at the meeting

### Secretary's Minutes

As recorded by  
John Bolesta

November 15, 2007

This meeting was called to order at 7 pm with 3 officers and 10 members in attendance.

Treasurer Bauer reported a bank balance of \$3238.67 with \$2.90 due for toilet rental. There were 56 paid members for the year.

No safety issues were reported.

Field report described the end of yearly maintenance and winterization of equipment.

Old Business: Next year's meetings were set for Jan. 17, May 15, Sep. 15 and Nov. 20. Planning for the date and CD of the next flyin was discussed. Leo suggested that a budget be published and it is included at the end of these meeting minutes.

No new nominations for officers were put forth and Jim West was elected Vice-President unanimously. Jim and

Christy Bauer and John Bolesta will continue to serve as President, Treasurer and Secretary, respectively. Leo Jones, Al Rivera and Bob Buss will continue to serve on the Board of Directors.

For new business, we were asked to get our dues paid by Jan 1. The December meeting will be a pizza night as suggested by Sam and Clark. The meeting adjourned at 7:25 pm and casual socializing followed.

### Airplane Cleaner:

5 cups water  
1/2 cup of ammonia  
1 cup rubbing alcohol  
1 oz. of **DAWN** dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

**Caution:** Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the
