Secretary's Minutes

As recorded by
John Bolesta

The meeting was begun at 6:57 with nine members and three officers present.

The treasury has \$2632.06 with December's tractor payment of \$225 pending. Seven renewals will be added when deposited. The tractor balance is \$3800 and rent of \$5400 (\$600 per acre) is due in April.

The field and equipment are set for winter, secured and serviced. The portable toilet will remain on site but won't be serviced so please use sparingly.

With no old business to attend to, new business commenced with approval by acclamation of the current officers continuing for next year. Al Rivera's term as a board member is over so Kurt Seiter will join Steve Chappelle and Jim Salwasser on the board.

After discussion, it was decided to

have no scheduled meetings next year. Optional meeting places for special events or situations will be determined with possibilities being the field, restaurants, Mark Twain Hobby's extra room or at the St. Peter's Senior Center. (Leo Jones has since determined the Center can be reserved on relatively short notice.)

The December meeting will be a Christmas social event with members bringing their own drinks. We'll get pizzas so please arrive a little early to allow for a head count to place the order.

Al Rivera and Jim West won the Mark Twain gift cards. Meeting adjourned at 8:20.

From The Editor:

Bob Buss

Well I arrived in central Florida on December 2. The weather was rainy for about 3 days. The temperature has been around 70 degrees. We got to fly on Monday. The temperature since Sunday warmed to the low 80's. Life is great in central Florida.

Airplane Cleaner:

5 cups water
1/2 cup of ammonia
1 cup rubbing alcohol
1 oz. of **DAWN** dish detergent

Mix all ingredients in a clean milk jug, pour enough in a small spray bottle for field use. This solution cuts thru the oil buildup on the underside of your plane and leaves it squeaky clean.

Caution: Dawn seems to be the only dish detergent that cuts all the oils and doesn't leave a residue on the plane.
